The relaxed and personalized student-teacher relationships from last year were carried over to this year by Tabb High faculty members. Not only did they lend themselves to sharing their knowledge, but the faculty played an important role in establishing a successful extracurricular program at Tabb. The interest shown in the students by the teachers at Tabb is one of the qualities which helps it remain one of the top academic schools on the peninsula.

EDUCATORS

Administrators Guide Student Growth

The 73-74 school year brought quite a change in the operation of Tabb High. Because of the casual atmosphere created by the structure, students found it easy to forget that they were in a school rather than Grand Central Station. As a means of reminding them, Mr. Richard B. Miller, in his second year as principal of Tabb, found it necessary to instigate preventive measures.

Breaking away from some of his liberal ideas of running the school, Mr. Miller called upon the "good ol' tardy bell" to eliminate last minute stragglers. Other problems were taken care of through this addition also.

So, with disciplinary actions pretty well underhand, Mr. Miller had more time to devote to teachers' as well as students' needs, ideas, and suggestions in an open-minded fashion.

Providing sound leadership and unending dedication to their students, Assistant Principals, Mr. Ed Markoff and Mr. Charles Cherry cooperated in facilitating the many varied school functions at Tabb. Among other responsibilities, Mr. Markoff served as Athletic Director and Mr. Cherry as Activities Director. The 73-74 school session furnished an opportunity for the concerned administrators to work with many first time events at Tabb High and present a variety of effective programs to fulfill all student body needs.

Secretaries Keep Tabb Running Smoothly

Contrary to what most people think, a secretary's day consists of more than just taking shorthand, typing letters, and answering telephones, especially if they happen to be employed at Tabb High. Mrs. M. Fox, (TOP RIGHT) is secretary of Guidance and handles the registration of new students, transcripts and correspondence. As attendance secretary, Mrs. D.

Burcher, (TOP LEFT) takes care of attendance, textbooks and is secretary to Mr. Markoff.

Serving as bookkeeper and receptionist as well as secretary to Mr. Cherry are the responsibilities of Mrs. J. Allamby, (BOTTOM LEFT) secretary in the general office. Mrs. Barnes, (BOTTOM RIGHT) is secretary to Mr. Miller. Her duties include keeping the school rolls up to date, finances, and reports.

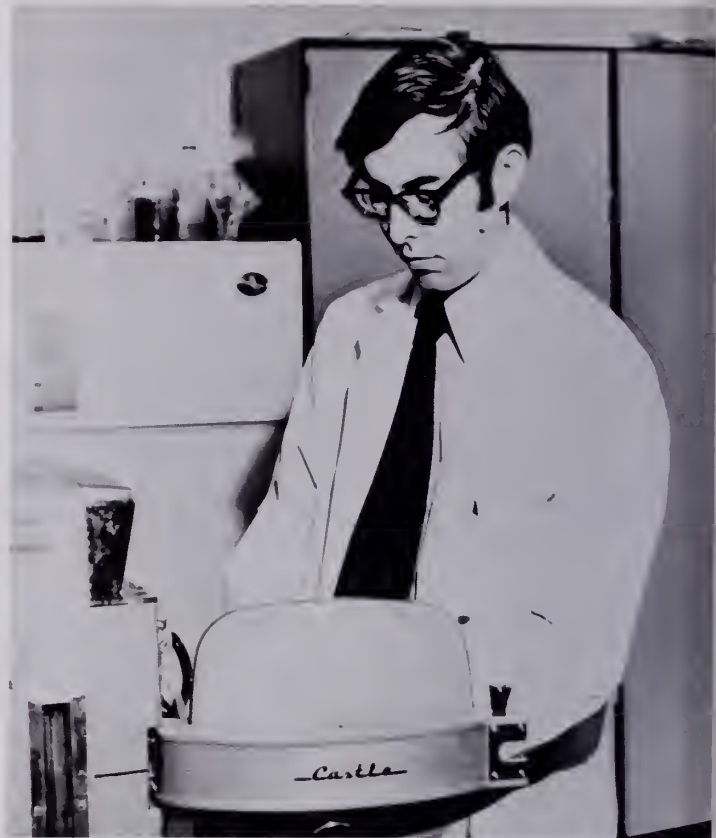

Guidance Channels Students' Abilities

Helping to guide students along the right tracks, the Guidance Department has played a large role in the two years that Tabb has been opened. The counselors not only did the usual straightening out of schedules, but took it upon themselves to coordinate trade oriented assemblies. Mrs. W. Luck, (TOP LEFT) served as head of the department as well as counselor to the sophomores. The advising and dealing with scheduling problems of the juniors was left with Mrs. R. Wyche, (TOP RIGHT). Mr. G. Haase (BOTTOM LEFT) was bogged down with sending senior transcripts as counselor to the graduating class. Mrs. A. Cook (BOTTOM RIGHT) saw to it that the freshman class got started on the right foot.

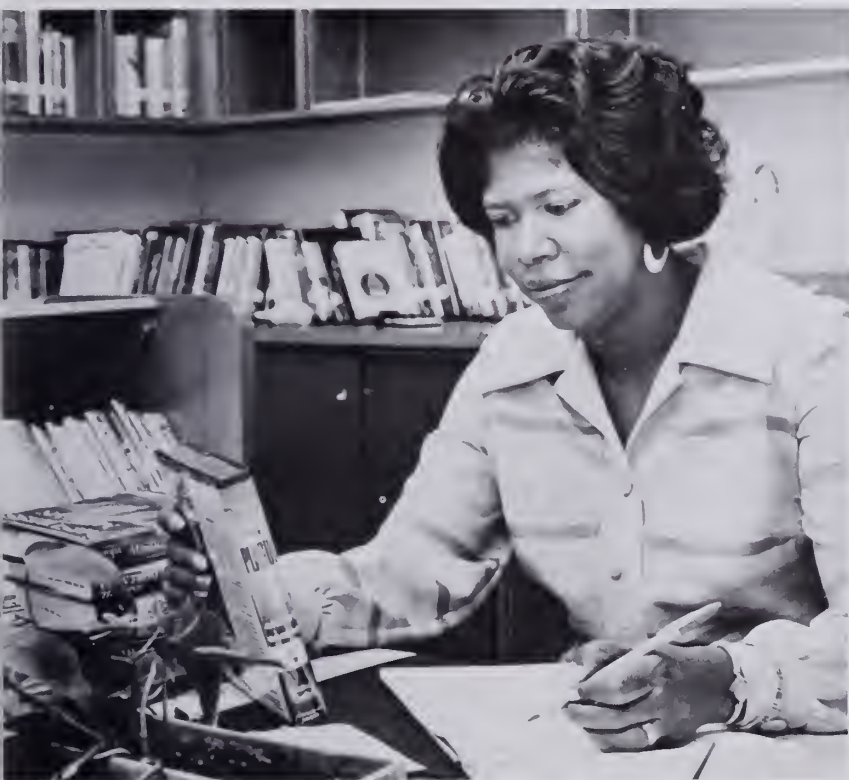

Directors Play an Important Part in School Operations

Department leaders, Mr. M. Wollard of Vocational (TOP RIGHT), Mrs. Elizebeth Smith of Humanities (BOTTOM) and Mr. T. Doggins of Math — Science (TOP RIGHT) provided the overall coordination of activities for smooth running departments. Items such as finding available classrooms, keeping records of textbooks, and instructional material, assisting guidance with scheduling, arranging field trips and speaking engagements were a few of the vital behind the scene jobs that these dedicated directors carried out.

IRC Is More Than a Resource Center

Books, books, and more books! In the middle of them all you might be able to find Mrs. N. Morgan (TOP) or Mrs. C. Ford (BOTTOM RIGHT). Reading? Probably not. They'd most likely be checking them out, reshelving them or perhaps arranging them in a display. With the help of Mrs. H. Hubbard (BOTTOM LEFT) the librarians have made the IRC more than just a resource center, but have added personality to the room with posters, displays, and bulletin boards, enabling students to expand their knowledge through other means.

Nurse, Cafeteria Staff and Aids Provide Necessary Services for Tabb

Smiling, Mrs. Hawkins (TOP) carried out her duties as Nurse at Tabb. Keeping medicine for students, administering first aid in emergencies and helping out with the Bloodmobile kept her constantly on the move.

With complaints far outnumbering compliments, the cafeteria staff took it all in stride as they provided balanced lunches and food for various extracurricular activities. With the hustle and bustle of a school day, we often forget to express our appreciation, so to them we say a big THANKS!

Aids Assist Tabb Faculty

With the aids helping out in different aspects of student life, the work load was lessened for all those involved. From seeing that the book room was kept in order, to running off tests, everything was done in an effort to keep Tabb operating smoothly. Mrs. Bradshaw, Mrs. McLean, Mrs. Englehart. (TOP L to R) Mrs. Jones and Mrs. Wiltshire. (BOTTOM L to R) were the aids. Mrs. Ivy. (BOTTOM RIGHT) was the visiting teacher, helping out with homebound students.

1973 brought with it a new breed of high school students. We conducted ourselves as individuals in most cases, but we also found it necessary to follow the crowd in others. The senior class provided sound leadership through the experiences they had been confronted with the past three years. Sophomores and Juniors contributed new ideas that further signified progress within the new school, while the Freshman class took on the challenges of the upperclassmen and gave of themselves to Tabb High School.

PEOPLE

Money-making Projects Highlight Senior Year

The Senior class saw the 1973-74 school year in a different light from underclassmen. Homecoming, basketball sweetheart, athletic events and other extra-curricular activities took on new meanings. The conclusion of each activity meant a step further toward our entrance into the frightening and challenging society. Trying to keep this in the back of our minds for awhile, the class worked together to insure a great and memorable year.

Money-making projects became an important Senior undertaking. Selling candy, pennants, and tumblers, helped to defray the cost of the prom and the Senior trip.

Nonetheless, there was still graduation announcements, caps and gowns, and application fees to be paid for.

It's true that your senior year is the most expensive, but in the long run it's worth every penny. As graduation drew nearer the seniors realized that that was it — fun and games were now over and the trials and tribulations that had been suffered were a part of the past, but an important part. The experience that had been gained, both good and bad would play an important part in their futures, but now it was time to say good-bye to those four years — the best years of our lives.

SENIOR CLASS OFFICERS: Emily McGuire, president (UPPER LEFT) Vee Martin, vice-president (LOWER LEFT) Cheryl Rivers, secretary (UPPER RIGHT) Sharla Jones, treasurer (MIDDLE RIGHT) Mrs. Sharon Jones, Mrs. Elizabeth Smith, and Mr. George Jobson, sponsors (LOWER RIGHT).

Goodbye

I'll close my books and lift my head
to take a look around.
The empty wooden desks, I see, But
nothing makes a sound.

It's over now — your high school days — time for graduation.
It's over now — your schoolgirl craze — time for celebration.

Should I laugh or should I cry,
the years went by so fast.
All the work and fun I had
are shadows in the past.

Goodbye to lockers slamming shut
and passes in the halls.
Every weeknight in a rut
with homework — climbing walls.

Goodbye to teachers straight and good
we'll miss your tardy passes
You know we did the best we could
to credit in your classes.

So now the world waits outside,
I want to be a part.
And as I leave my high school years
I also leave my heart.

But as I do I'll take much more
than books could ever give,
I take the spirit of Seventy-Four
throughout each day I live.

Juniors . . . A Step Before Stardom

Backed by good student officers and sponsors the juniors were off to a good start and concentrated all their efforts on the Junior Ring Dance. To raise money for the Ring Dance, juniors were allowed to use Bailey Field's concession stand for all home football games. The Ring Dance was held at the Sheraton and the decorations consisted of a giant class ring which will be handed down from junior class to junior class. It's to be a reminder of the class of '75. Other class honors went to a junior when Diane Vaughn won the Miss Tabb High Pageant. There were also five other juniors in the semi-finals. In the SCA's Christmas Food Drive, the juniors held the lead and donated money to help the needy. Though low in school spirit at times, the class of '75 upholds the name of Tabb High in word and deed.

Sophomores Move Ahead . . .

The Sophomores of '74 had one big advantage over last year, they weren't Freshmen. Perhaps this is what sparked the enthusiasm of the Sophomore class, for they led the way in supporting their school. Taking their determination from last year and adding some more, they proved their merit by heading the magazine drive. From this project, they gained a proceed of \$646.88. To conclude the Basketball Sweetheart contest, the class sponsored a semi-formal dance. This was held on Feb. 16, with the band "Smoke." The dance was the first dance of the year sponsored by a class which goes to show the spirit of the Sophomores. The efforts of the Sophomore sponsors, Mr. Melvin Moore and Mrs. Hannah Roberts, were instrumental in making the year successful.

Freshmen Develop a Feeling of Belonging

Each day offered new opportunities to the class of '77. However, late elections of class officers minimized their involvement in the SCA. Also, some students found the adjustment from intermediate to high school, and from chief to low man on the totem pole quite a transition. Nonetheless, Freshmen learned from their mistakes, and by physically striving and socially relating, they brought about a feeling of belonging to the Tabb High community amongst the Freshman class.

As a result of the energy crisis, many of the activities that had been planned for the student body were cancelled. Nonetheless, those that went on proved to be unforgettable experiences for those who hastened to get involved. An overwhelming number of students showed in support of Tiger athletic events. Anxiety was evident in the contestants as well as spectators of the Miss Tabb High and Basketball Sweetheart contests. The Ring Dance and Prom won permanent places in the hearts of those who attended. Benefits were reaped by all those involved in the happenings at Tabb High School.

HAPPENINGS

Vee Martin Crowned Football Sweetheart

Under much controversy, the S.C.A. sponsored a Football Sweetheart Contest in lieu of a Homecoming. Nominees were chosen by the football team with Vee Martin chosen as the Queen. Seniors attendants Cheryl Rivers and Sue Bresee. Junior, sophomore and freshmen attendents were Pam Terry and Marion Arena; Jana Tanner and Donna Harrison; Cindy Forteach and Melanie Hedrick. A float was constructed by the S.C.A. and a collection of Corvettes was made to carry the nominees around Bailey Field.

Shakespeare Comes to Life!
MIDSUMMER NIGHT'S
DREAM

With lovers

fairies and rustics

A Glittering Performance Is Put on With the Help of . . .

Enthusiastic directors . . .

actors

Once again the stage was set for hilarity as Mrs. Pat Wright and Mr. Arthur Roach, directors of *Midsummer Night's Dream*, teamed up with Miss Barbara Zalusus, technical director. With wit and ingenuity, the team of three transformed an outdated Shakespeare to one of today. With fairies running around in smocks of pink and blue and with a comedy team equal to the three stooges, the audience was caught up in the antics of a more fanciful age. Mix-up followed mix-up as first lovers than fairies and rustics fell in love with each other. After being resolved by a repentant Puck the entire cast retired to Shokie's and continued the revelry into the night.

and other comical characters.

Diane Vaughn Crowned Miss Tabb High

The 1974 Miss Tabb High Pageant, sponsored by the SCA, took place on Saturday Febraury 9, in the auditorium with Jeff Davis of

WGH and Miss York County serving as MC's. The twelve contestants in the year-old tradition were Mary Edwards, Jacqueline

Swope, Jackie Adams, Kathy Wallace, Susan Whitaker, Grovia Hughes, Dawn Brumbelow, Andrea Orr, Veronica Knott, Theresa

Lang, Diane Vaughn, and Kay Stokes. A deserving Dawn

Brumbelow was voted Miss Congeniality by the girls. Interviews, talent and evening gown competition preceded the announcement of five finalists; Jackie Swope, who sang "I Enjoy Being a Girl," Andee

Orr doing an original modern jazz routine, "There's a Kind of Hush" was sung by Teresa Lang, Diane Vaughn played a classical piece on the piano, and Kay Stokes sang "The Way We Were."

There was an air of anticipation and excitement as Diane Vaughn was crowned Miss Tabb High. Jackie Swope was first runner-up and Teresa Lang was declared second runner-up. Third runner-up was bestowed upon Kay Stokes and Andee Orr received the fourth runner-up title. The entire night proved to be an interesting and unique experience for all.

Ring Dance Highlights Junior Year

On Saturday, February 23rd., the Sheraton Hotel flowed with juniors gathering for an event which was long awaited — The Junior Ring Dance. The fact that the band was late did nothing to dampen the excitement shared by all. Towards the latter part of the evening spirits really soared as Mr. Miller presented the couples with their class rings. Not only did students enjoy the evening but also the faculty members who attended found it quite enjoyable. It was truly a memorable experience for all.

Once Upon a Mattress

Opens With . . .

Wandering Minstrels.

Precocious Ladies.

And An Anxious Director.

This year's musical hit a new high with Mrs. Marion Smith as its director. Combining the musical talents of Mr. William Tew and Mr. Percy Ironmonger with the technical direction of Miss Barbara Zalumas, the musical played to a "sell-out house."

Set in a fourteenth century castle, complete with a moat, the story line revolved around a very unhappy prince in search of a wife, and a meddling mother who was determined not to have him marry. Once the casting was done, the search for 14th century props arose. After numerous school announcements and countless rummages through attics, cellars and Salvation Army Centers, a colorful array reached the wardrobe crew under the brilliant creativity of Mrs. Johnnie Little.

The full cast and crew incorporated some 150 people, the many talents of the art classes under Mrs. Sherrie Hodges and crew design classes of Mr. Peter Pugh. The musical was truly a tremendous success and lived "Happily Ever After."

Variety Show — Tabb's First Is a Smashing Success

Tabb High Elects Delegates to Girls and Boys' State

BOYS' STATE: CHUCK MASSER, DOUG PETERS, JAMES PIERCE, SCOTT PETERSON.

GIRLS STATE: KATHY WALLACE, CARRIE MEINBERG, DIANE VAUGHN.

Within the State of Virginia, for one week in each year, two new States come into being. Its executive, legislative, and judicial branches function to govern the cities, and the municipal governments regulate the activities of the citizens during this brief period. The purpose of Girls' and Boys' State is to provide citizenship training for students of high school age; to afford them an opportunity to live together as selfgoverning citizens; to inform them about the duties, privileges, rights, and responsibilities of American citizenship, in order that they may understand and participate in the functioning of their government; and to help them grasp the meaning of some of their responsibilities which they must assume when they become adults. During the week of June 16-22, Boys' State was held at Lynchburg College and Girls' State at Longwood.

The Senior Prom — A Milestone Symbolizing the

On May 18th, the class of '74 was proud to attend the first senior prom of Tabb High. Held at the Hilton 1776 in Williamsburg, the events of their senior year were reminisced in a night of festive activity. In the midst of shimmering gowns and colorful tux, the seniors had time to reflect on the past years while dancing to the mellow music of the band.

Though the prom ended at midnight, partying continued far into the morning.

As one girl said, "I've only got ONE senior prom!"

Termination of High School Years

Senior Trip

Leaving Tabb High Thursday evening, May 23rd were two bus loads of excited seniors. Their destiny — Six Flags Over Georgia. Friday morning they stopped at Lion Country Safari in Georgia and then on to the Hotel that afternoon. Friday evening they could stay at the hotel or go to see the Atlanta Braves play. Saturday it was off to Six Flags and a chance to ride the long-awaited Great American Scream Machine. (one of the largest roller coasters around!) Sunday meant back to 6 Flags, a quick stop in Underground Atlanta and a long trip home. The exhausted and "flat broke" group arrived back at Tabb Monday at 6 a.m. All who went, including the 5 chaperones admit to having a fantastic trip.

Alma Mater Introduced to Student Body on Class Day

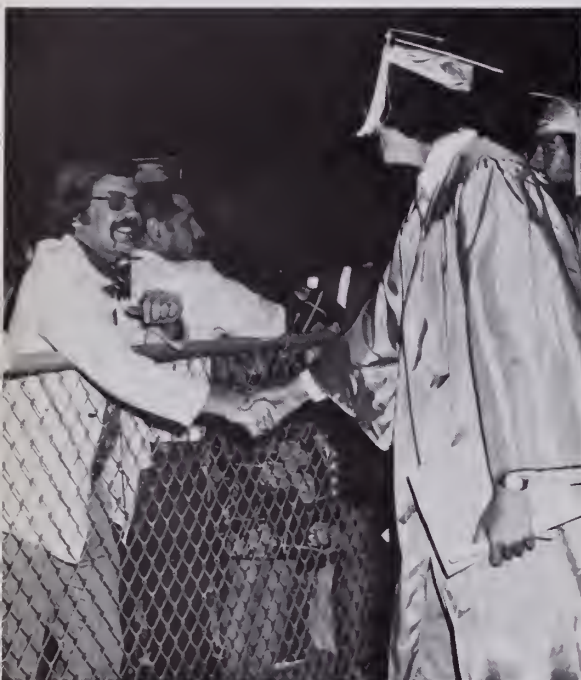

On June 6, 1974 there was another first at Tabb High — the Class of '74 held their class day program. Many unique performances highlighted the morning. Mike Melo and Marsha Thomas reminisced the class history from sophomore days. Senior A Cappella members sang and Senior Superlatives were awarded. Lynn Brooks and Lisa Kehrer read the Last Will and Testament, followed by singing performances by class members including an original song entitled "Hanging Out Hanging In." Dave Caldwell and Kim Smith predicted the future of many seniors. The mixed Locker Room Choir sang and a poem, "Goodbye" was read. The newly written Alma Mater was introduced to the student body by Donna Newsome. After the program, seniors were dismissed from school.

June '74 Marks Tabb's First Graduation

Happiness, sadness and nostalgia blended to create Tabb's first graduation exercises. For some it was the end of their best years, for others it marked the beginning of a new and altogether different phase of life.

Belena Skievaski, valedictorian and Lynn Childers, salutatorian gave encouraging speeches to their fellow class members. The class president, Emily McGuire gave appreciation gifts to the class sponsors and the three principals. Music was provided by the band and the A Cappella Choir.

Anticipation of the future and memories of the past intermingled in the minds of the seniors as diplomas were received and tassels were turned.

As the crowd rose in respect, the Class of '74 marched out into the world, diplomas in hand — some with tears and others with laughter — but all with their heads held high.

Students enthusiastically got involved in the various after school clubs at Tabb. Charters and constitutions having been adopted the year before enabled members to plunge into their activities from the start. The FHA bazaar, the SCA's iron-on patch sale, and the Keyette donut sale were just a nucleus of the many happenings of the different groups. Unfortunately, with the onset of the energy crisis, the school board found it necessary to eliminate the activity buses, which put a damper on meetings and club participation.

The second annual Miss Tabb High Pageant was another activity sponsored by the SCA. A new idea the SCA tried was a coffee house with live entertainment and tacos. The end of the year brought with it a constitution to ratify and new officers to install.

Keyettes

The Keyettes are a service organization whose projects and activities go towards the good of the school and community. Various projects in which Keyettes have been involved include: ROT (Recycle Our Trash), food baskets to needy families at Thanksgiving and Christmas, the Big Brother program in league with the Key Club and participation in the National "Keep America Beautiful" Campaign — where they teamed up with the Key Club, combing the school grounds for trash. Under the supervision of Mrs. Hawkins, Keyettes have experienced a successful year.

Band Adds More Trophies to Showcase

The Tiger Band was back at it again this fall practicing on and off the field and in the classroom, playing for assemblies, pep rallies, the musical and numerous parades. Among the parades they participated in this year were the Apple Blossom in Winchester in the Spring and Christmas in the Williamsburg parade.

Under the direction of Mr. Percy Ironmonger the band finished adding more trophies to the showcase with trophies from the National Tobacco Festival.

Stage Band Has a Good Year

Once again the Stage Band of Tabb High School excelled in all they attempted and returned home with many victories under their wings. One example of their splendid work was their performance in Harrisonburg. They also assisted at many school functions such as assemblies and pep rallies, not to mention their performances at concerts. Their selections at the Variety Show and at the Awards Concert was quite commendable.

Majorettes Add Color and Enthusiasm to the Band

Under their sponsor Mrs. Cindy Ford and captain Gwen Bazan, the majorettes practiced long hours for their performances at pep rallies, half-times, concerts and marching with the band. Their talent and color certainly complimented the band. New outfits, twirling fire and performing with Wrigleys gum packages were just some of the activities that filled the 73-74 year. The year ended with tryouts to choose the squad for next year.

In the spring of the year they produced an Arts Festival covering all aspects of dramatic art. Following this the Drama Club had its end-of-the-year Awards Banquet.

FCA Expands

The meetings of the Fellowship of Christian Athletes are different from any other club; they meet in member's homes and with Mr. Mitchell's guidance. They aim to grow spiritually at each meeting. In the past the Club was strictly for guys, players and managers of any sport but, this year a few female athletes and cheerleaders came to some meetings. Now the organization welcomes girls as well as boys who are associated with sports.

The "Friends" day at Christmas time and the Easter Sunrise Service at school were two activities in which the F.C.A. participated.

Steve Simmons Heads Yearbook Photographers

With photography classes using the dark rooms and only a few students who had the time, ability and dedication it takes to be a Yearbook photographer — Steve Simmons had a tough year! It was his job to organize the photographers and produce the pictures needed for the yearbook. The energy crisis and rising inflation seemed to be working against him, as many of his photographers resorted to after-school jobs limiting their time to shoot, develop and print pictures. The yearbook staff was pleased at the quality of pictures received because of Steve's dedication.

NHS Receives Charter

On December 6, 1973, the Seniors were tapped for the National Honor Society. This was the first year of the organization and those chosen became its Charter Members. A concession stand was operated at baseball games as a fund-raising project. In spring of 1974 the Juniors were tapped for the upcoming year. Suspense mounted as some people caught a glimpse of their parents in the back rows. Following the oath and signing of the charter, a reception with punch and cookies was held in the band room.

Debate Team Snatches State Title — Forensics Seizes Top Trophies

Tabb High's debate and forensics team charged ahead with determination and vigor, proving that it was possible for such a young team to work together and carry off the top trophies. With the tremendous help of Mrs. Marian Smith and Miss Barbara Zalumus, the phenomenal team improved by leaps and bounds. Those participating in Debate were: Cris Owens and Dan Luke who also were in Forensics, Mary Edwards, Frank Hunt, Jeff Ashby, Tom Wilburn, Rowanne Cossaboom, Marc Adkins, Cindy Baker, and Tina Hamilton. Those in Forensics, Rose McCartney, Steve Simmons, Cheryl Vouri, Cindi Hoyt, and Laura Fricke. The Debate Team won the JP Yancy Award for the Best New Debate Team in Virginia. Forensics did extremely well, winning numerous trophies and awards.

NJROTC Has Exceptionally Productive Year

Under the supervision of Chief Claude Kirkland and Captain John Wells, the special Drill Team performed at Hampton Institute on JROTC Day and placed third among the eleven schools competing. They put on performances at Tabb Intermediate, Williamsburg, and gave demonstrations during pep rallies and at a show for DECA. The Drill Team also competed in a VFW Loyal Day Parade and took first place in the JROTC Unit Recognition and commendation is deserved of the Tabb High ROTC Unit as a whole for doing such an excellent job this school year.

Yearbook Work Extends Into Summer

Being a constant reminder in pictures and words of the year's activities, the 1974 Bengal strove to be different and original. Many new techniques and special effects were incorporated in hopes of producing a unique yearbook for THS students.

Most people don't realize what a job it is to put out a yearbook. Only after many hours of planning, laying out pages, cropping pictures, writing copy, typing and then proofreading, can one fully appreciate the enjoyment of a yearbook.

Under the supervision of the yearbook sponsor, Mrs. Harrell, the staff found themselves working in the summer to finish the final pages of the book. With a sigh of relief and one of anticipation, the last pages were mailed to the publisher.

Take a good team like the Tabb High Tigers, add a little spirit and what've you got — Sports 74! Again this year Tabb's teams, with the exception of two or three, struggled through seasons of disappointments. With senior experience, one problem was eliminated to a degree, but others were still staring us in the face. However, the obstacles were not enough to dampen spirits. On the contrary, they brought out the dedication and determination imbedded within the athletes.

ATHLETICS

Tigers Face Tough Competition in the Field

The undying spirit of loyal Tiger fans followed the football team through an agonizing 2-8 season. Plagued with injuries, the weakened team put out 100% against top notch opponents. Coach Fred Mitchell described the team as small, mobile and agile, and we hope hostile, to newspaper reporters. Unfortunately, these qualities weren't quite enough to put it together in Tabb's first year of AAA Varsity competition.

Determination Sparks J.V. Football

The Junior Varsity football team made a respectable showing with a 4-5 season. Coached by Mr. Steven Deutsch and Mr. Melvin Moore the players displayed hustle, dedication, and determination.

TEAM MEMBERS: (SITTING) K. Harrod, D. Warden, M. Sarver, F. Wharton, M. Myers, K. Bateman, D. Pearce, B. Dougherty, E. Scott. (KNEELING) P. Windham, S. Cutts, S. Weidman, R. Burcher, B. Cundiff, L. Jennings, J. Forester, S. Bowman, J. Wogoman. (STANDING) S. Hovanic, D. Stanaway, D. Rose, D. Nuckols, B. Cunningham, J. Kubesh, M. Starr, W. Dillard, R. Patrick, Coach Deutsch.

Cross Country Team Marked by High Spirits

With great determination and high spirits, the hard hours of practice resulted in impressive showings by the Cross Country team. With the support of very few fans, team members strived to bring recognition to this little known sport.

Concentration and endurance were the chief requirements. Under the coaching of Mr. George Coulter, these skills were developed and perfected. Although most of their efforts ended in team losses, individual runners placed high in the standings.

CROSS COUNTRY TEAM: (KNEELING) L-R. L. Hughes, J. Dawkins, R. Stanley. (STANDING) D. Cheek, J. Cinotto, Co-Captain, M. Hartmann, Co-Captain, D. Bunting. (NOT PICTURED) F. Arena, V. Canfield, L. Amory.

Girls' Basketball Team, Number 1!

Bringing recognition to girls' athletics at Tabb was one of the biggest accomplishments of the Girls' Basketball Team. From the first two or three games, spectators saw that a championship team was in the makings. Victory after victory brought the girls closer to qualifying for District. Tournament play produced tough competition, but nonetheless Tabb defeated all of its opponents and came out on top.

To be exact, FIRST IN DISTRICT!

TEAM MEMBERS: (KNEELING) S. Brown, D. Slede, K. Breen, J. Oesterle, Y. Knott, P. Thornberry, G. Dawkins. (STANDING) Mrs. Nettles, M. Wright, J. Brazelton, C. Whitaker, R. Coleman, S. Panak, L. Dawkins, D. Stewart, C. Jones, J. Arena.

As a result of long hours of hard practice, individual players excelled in various areas. Yvette Knott was voted outstanding offense, Jan Oesterle most outstanding player, and Kerrie Breen outstanding defense. Despite the loss of the senior height, skill, and experience, next year's team has great potential.

Varsity Team Shows Improvement

Unpredictable best describes the 1973 Basketball Season. Although the losses heavily outweighed the wins, the scores were no indication of the caliber of play. A great amount of improvement was evident in the Tiger squad not only from last year to this year, but from the beginning to the end of the season too. The team kept within reasonable margins of their competitors, keeping fans in gripping suspense. The outcome found the opponents on top 4 times out of 20, but the 4 times we came out the victors upstaged the defeats.

100% Effort by J.V. Team

Under the coaching of Mr. Deutsch along with long hours of determination the J.V. Tiger Basketball team put their best foot forward once again. Improvement from last year was evident and continued through the year. The loss of the games gave no indication of the kind of game played. The junior squad put out 100% effort and was rewarded with the kinds of victories they hungered for. The highlights of the season were two victories over the York High Falcons.

(Left to Right) Coach Deutsch, C. West, M. Barbee, W. Dillard, K. Richmond, L. Moore, A. Deskins, H. Evans, B. Cunningham, P. Furby, J. Bowley, R. Patrick, D. Kidd, G. Thornton, K. Giles, R. Dillard, and G. Furby.

Despite a disappointing season record of 3-8, the Tabb High Wrestlers came through with tremendous determination and finished 5th in the District tournament. The inspirational coaching of Mr. Hunt and Mr. Hasse constantly spurred the team spirit and seven of our wrestlers — Dirk Hume, Bruce Sawyer, Tony Soreno, Dennis Pearce, David Brown, Mark Thornberry, Jimmy Pierce — took top six places and qualified for Regional competition.

(KNEELING) M. Melo, V. Amaya, D. Pearce, R. Smith, T. Sereno, B. Sawyer, D. Hume, M. Hartmann. (STANDING) Manager — M. Smith, J. Pierce, M. Thornberry, D. Brown, M. Williams, R. Westberry, D. Feller.

Senior Mark Thornberry tensely watches action — Tigers go through warmups as hopeful fans look on — Coaches show control during Menchville match — Randy Smith assumes top position and gains riding time — Amaya takes control — Jimmy Pierce assumes bottom position during practice — Mark Williams offered an outstretched arm after defeating opponent — Mike Sereno declared victor against Menchville opponent.

Tabb Wrestlers Place 5th in Districts

Senior Derk Hume receives encouragement from coach Willard Hunt — tense expressions cover watching Tabb wrestlers as a Tiger matman struggles to pin opponent — Tabb wrestlers loosen up before Menchville match.

Next year is extremely promising; the whole team excluding a few seniors will be back to carry the Tigers on to more victories.

Junior Varsity Matmen on Their Way Up

Though sweaty "fun times" in a steaming gym wasn't much encouragement for our J.V. wrestlers, they produced a very satisfying performance this season.

(KNEELING) J. Wogoman, J. Hales, F. Wharton, D. Warden, M. Meyers, D. Herndon. (STANDING) J. Kubesh, J. Pleasants, L. Jennings, M. Green, S. Smith, J. Pleasants, R. Breen.

Gymnasts Work Their Way Up

Two team members, Sharon Swanson — balance beam and Tammy Nailing — vaulting, qualified for Regional competition in Virginia Beach.

Tabb Gymnast Surpass with 9-1 Season Record

Hard work, undying determination and the helpful coaching of Miss Susie Johnson, brought the Tabb High girls gymnastics team a 9-1 season record, tying them for first place. In the mid-March District Tournament the Tabb gymnasts stayed right up there, pushing hard for first place, but finished with a tight second. On the whole, this year proved to be a very productive season in which tremendous progress was made. Let's hope next year is even better.

Tigers snatch 2nd place in District Meet.

Varsity Cheerleaders Keep Spirit at a High

The undying spirit and vitality of the varsity squad cheered the football team through an agonizing season and a basketball season equally frustrating. Jubilant in victory and reassuring in defeat, the varsity cheerleaders generated pep to keep the Tiger spirit high. During summer they attended camp to learn new chants and cheers and went door-to-door selling donuts for funds. New impact was added to pep rallies with comic routines by the varsity squad. Whether keeping up spirit at games or raising morale at pep rallies the varsity cheerleaders kept both team and spectator spirits at a high.

J.V. Spirit High, Despite Small Crowds

The rookie junior varsity cheerleading squad got off to a slow start but soon proved to be an ambitious group. It often seemed useless cheering for a crowd of ten, sometimes less, but the appreciation showed by the team members kept spirits high and enthusiasm loud. In addition to supporting J.V. athletics, the girls attended and supported all varsity sports and school functions. They have helped the J.V. teams receive the recognition that they deserve.

Anne McLean and Sandy Panak Qualify for State Meet

Tabb's Girl's Track team coached by Miss S. Johnson and Mrs. E. Nettles had a very successful year. Their meets were always at the same time and place as the Boy's Track meets. This year two girls qualified for the State Track and Field meet. They were Anne McLean in the 880 yd. Run and Sandy Panak throwing the discus. These two girls both did extremely well. Sandy placed 3rd with a throw of 105'9". Anne tied for 6th place with 2:38.2 as her time.

Tabb Ties for Second Place in District

The highlight of the athletic season was the Varsity Baseball's drive to the District Championships where they became tied for second place with Bethel. Throughout the season Bethel, Kecoughtan, and Tabb battled for second, third, and fourth places.

Coached by Mr. Jeff Williams the team showed great improvement over last year and showed what a little determination and a lot of enthusiasm could do for a team.

J.V. Team Shows Good Talent and Strength

Under the direction of their coach, Mr. Rowley, this years JV Baseball team made a good showing. The experience that they built up will greatly aid the varsity team next year. The players along with their coach deserve a lot of credit for their hard work, determination, and fine play throughout the season.

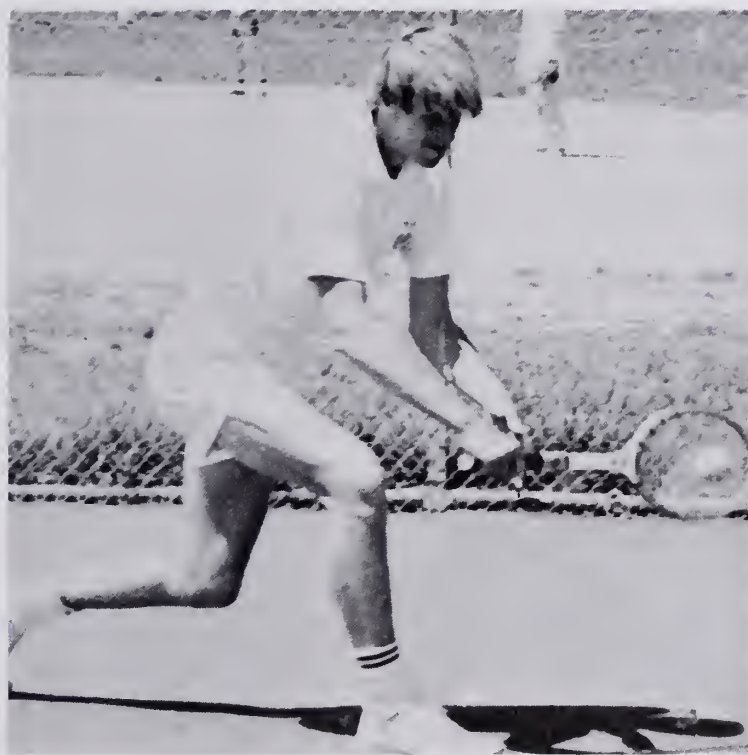

Tennis Team Tastes Victory

The Tabb Tennis Team, in its second year under Coach Bob Anderson, won its first Peninsula District matches by defeating Denbigh and Lafayette high schools. As only two seniors leave the team, Lee Deskins (who played #1) and David Conrad, the team should be stronger next year with the return of the following experienced "rising" seniors: David Feller, Mike Marino, Mark Darnell, Harold Sidler, and Howard Rhodes. Also a much-needed fourth court is being added for next year.

Lee Deskins won the trophy for Most Outstanding Player on this years team. Harold Sidler was awarded a trophy for Most Improved Player.

Sophomore John Cinotto, Tabb's most promising golfer, made it to Regionals this year. The entire team improved immensely and did extremely well, obtaining a season record of 2-4 and placing 7th in District competition. Though this year's seniors won't be there to spark the spirit and enthusiasm, Coach Willard Hunt's tremendous encouragement is sure to instigate another good season next time.

Tomorrow is. Here.

Here in Newport News.
Here in the hands of the people who
work here. Because our people are building
tomorrow with something that started a long
time ago.

A legacy of expertise.
The teamwork, skills and engineering
ability that have put together some of
the world's most complex technical achieve-
ments.

Like the Navy's nuclear powered sub-
marines, aircraft carriers and frigates. The
world's most sophisticated commercial ships
—liquefied natural gas carriers. And services
and components for commercial nuclear
power plants.

And when the call comes to go to work
